The 100 companies that landed on the Business Times women-owned businesses List generated \$3.1 billion in revenue last year. There were 26 companies that were new to the 2014 List — doctors, builders, haulers and CPAs, to name a few.

Here is a closer look at the top 10 new companies.

Click on the photos on the right to see a slideshow of the top 10 women-owned Bay Area companies to debut on the list.
